

50-bed nursing centre planned for Haliburton

Extendicare Limited plans to begin construction of a 50-bed nursing centre in Haliburton in the latter part of 1974. It will be constructed in Haliburton Village so as to be in a central location for all of the County residents who may need its facilities.

The nursing centre will be a wide v-shaped facility with a split rib reddish masonry exterior. Some allowance is to be made for future expansion.

Specifically designed with the residents' comfort in mind, physical facilities include such conveniences as specially designed beds adaptable for sick care, handy grab bars, an intercom system linking all residents' rooms with the nursing station and other features to promote independence and security. Physical facilities will also include a spacious, comfortably furnished social-television lounge, a hairdressing salon and T.V. and telephone outlets in every room. All rooms will be decorated to provide a bright, cheery atmosphere.

Services offered will include 24-hour professional nursing care, a medical advisory committee to

review resident needs, a professionally supervised dietary kitchen and planned recreation and occupational therapy programmes including hobbies and crafts. Extended visiting hours will be available to family and friends, including children.

Extendicare Limited is pleased to have been chosen to bring this much needed service to the County of Haliburton.

Excursion cancelled

In our lead editorial in our issue of July 4, we stated that we had received word that the Upper Canada Railway Society was planning a diesel rail excursion to Haliburton on Saturday, September 28 with about 600 people aboard.

We are sorry to report that on Friday of last week we received that Excursion No. 5, Toronto to Lindsay to Haliburton and return for Saturday, September 28 has been cancelled.

Up to press time no reason had been given for the cancellation.

Fire destroys Minden store

An early morning fire on the main street in Minden completely destroyed the contents and caused considerable damage to the building of the Copperware Shop owned by Gary Vasey of Minden.

Fire was discovered early last Friday morning, July 12 at approximately 2.00 a.m. in the building which is situated between the Canadian Imperial Bank of Commerce and the S.W. Welch general store. The Minden Fire Department were soon on the scene of the blaze and no estimate of damage is yet available.

Constable Roy Telford of the Minden detachment of the OPP investigated the incident. Only one occupant, Yvonne Beaucage, a roomer above the store, was found in the building at the time, and escaped safely.

The building is leased from Allin S. Cooper of Minden.

Pipe band, ice show featured at Annual Legion Carnival

The Annual Haliburton Branch 129 Royal Canadian Legion Carnival is scheduled and set to go at Haliburton next Wednesday July 24, and it promises to be one of the highlights of the summer season.

The big day will start in the afternoon when Robertson's rides will swing into action in the fairgrounds outside the arena and they will continue on until the Carnival comes to an end in the evening.

For those who attend the carnival there will be food and refreshments, games of chance and plenty of entertainment for one and all.

The people in charge of the carnival told the Echo this week that one of the highlights will be entertainment in the arena at night by the Haliburton

Richmond, Huntsville, Toronto Cricket Club, Lakefield, Lindsay, Bobcaygeon. The Ice Show will last about two hours and the Haliburton Legion Pipe Band will be in attendance to supply the music. Admission to the arena will be adults, \$2.00 and children 7 to 14 \$1.00 and all those under six years of age free.

The draw for the 1974 American Motors Hornet four-door sedan will take place around 11.30 p.m. Tickets are still available on the car, so get yours now and don't be disappointed.

So why not bring along the entire family to the Haliburton Legion Carnival to be held at Haliburton on Wednesday, July 24.

Proceeds are for Veterans Welfare and Community Projects.

Peterboro man charged with careless driving

John P. Mitchell of Peterborough was charged with careless driving on Sunday July 14, when his northbound vehicle veered across the southbound lane of Highway 121, south of the Ingoldsby turn, and travelled into west ditch striking a rock cut. Mr. Mitchell was treated at the Minden Red Cross Hospital for cuts. Police Constable R. W. Pearson of the Minden detachment, the investigating officer estimated damage to the vehicle at \$2,000.00.

Investigating Officer, Police Constable B.J. Connelly estimated damage at \$1,400. in a single vehicle accident

on Highway 121 east of the Junction of Highway 35 on Saturday evening. Ronald Jenner of Amherstburg was westbound on Hwy. 121 when he was forced onto the shoulder by an oncoming vehicle. He lost control of the vehicle, crossed to the south shoulder, then came back across the road rolling over in the north ditch. Both Jenner, and a passenger in his car, Daniel Fournier of Oshawa, were treated for cuts and bruises at Minden Red Cross Hospital.

No charges have been laid in a single vehicle accident on Hwy. 519 on Sunday morning when Norman R. Johnston of Haliburton, southbound on Hwy. 519 apparently met a northbound vehicle in his lane and veered off the west side of the road and travelled down the embankment striking a tree. Police Constable R.W. Pearson estimates the damage to the vehicle to be \$500.00.

In another accident on the weekend, two drivers were each charged with failing to share half the roadway. Ralph L. Perry of Scarborough, eastbound on the South Kashagawigamog Lake Road and Donald J. MacKay, westbound on the same road, collided in the middle of the road area approaching the crest of a

Haliburton Rotary Club

Parade will highlight Centennial theme

Glenn Austin who has been parade chairman for the annual Haliburton Rotary Carnival parade for the past seventeen years and who by the way has done a great job announced this week that the Haliburton Rotary Carnival annual parade will be held on Wednesday, August 7. The parade assembly time will be 6.45 p.m. and the parade will take off not later than 7.20 p.m. There will be bands-floats-comics and fun for all. This year's parade

theme will be "Haliburton County Centennial - 1874 - 1974".

Something new and different will be added to the parade and it won't happen again for many years (100 to be sure). This is Haliburton County Centennial year - 1874 - 1974, so in addition to the usual boys and girls groups - the Lodges - the merchants and etc. there will be a trophy and cash prizes given for the first, second, and third in the Centennial group.

Certainly each business and individual should recognize the 100 years of our County of Haliburton's progress and we can think of no better way of expressing your feelings than joining in with our Rotary Club and all the other hundreds of regular parade enthusiasts.

Get your float ready - know the group you wish to enter in - have your name of lodge - camp - merchant etc clearly shown so the judges will know who you are and let us show the fifteen to

eighteen thousand people, watching that we in the County (Rotarians - Summer residents - business people and all the other parade-minded people) have one thought in common - get together and have fun.

There is no parade entry fee and no need to let us know you are entering. On parade night, just let the boys know at the entrance gate who you are & what group you wish to enter in.

Gull River Buildall blasts Lindsay Electric 17-6

On Monday evening in Minden, Gull River Buildall played an exhibition softball game with Lindsay Electric and scored an easy 17-6 victory.

The game was far from a classic, as errors were the major factor in most of the twenty-four runs scored. It was however, a fan pleasing game, as both sides played loose, with everybody getting into the base stealing act, with the result that many were cut down by the accurate arms of catchers Fred Simmons of the Builders and John Sheehy of Lindsay.

The Builders Bob Austin smashed a home run in the third and then a triple in the fifth to account for five runs.

Gull River used Ted Vasey and Tom Lee on the mound, while Lindsay employed John March and Bill Puffer Jr.

"NICHOLS TENTH HOMER DOWNS HALIBURTON"

The Haliburton Huskies grabbed a quick 5-0 lead in the first inning of their game with West Guilford Redmen on Tuesday evening in Haliburton, only to have George Nichols cap a Redmen comeback with a two-run homer over the center field fence to win 8-6.

In the first inning, Jim Burk led off with a single, Ken Lewis doubled him home. The Mark Schell and Scotty Larue were safe on infield hits to load the bases. Gar McKnight grounded out to score one which then brought young Steve Roberts to the plate. Steve parked Wade Stamp's first pitch in the right field parking lot to make the score 5-0.

West Guilford came back with two in the fourth and two more in the fifth to close the count to 5-4. This led to the sixth and the Haliburton downfall. Bob Woodcock started things off with a sharp single to left. Darryl

Stamp then grounded to short but all were safe when first basemen Lewis, dropped the ball. Larry Sawyer then placed a perfect bunt down first base that pitcher Havan Cook threw into right field scoring Bob and Darryl with the typing runs 6-6. This brought George up to win the game for the Redmen, their fifth in a row.

Craig Stamp picked up his sixth win of the year to go with two defeats. Craig allowed four hits, two walks and struck out eight in five innings of relief. Wade Stamp started for West Guilford and in four innings gave up six runs on eight hits, two walks while striking out three.

Havan Cook relieved starting pitcher Mark Schell in the fifth inning, allowing four runs on five hits to take the loss in his first mound appearance of the year. Mark gave up four runs on twelve hits, walked two and struck out five.

"GULL RIVER SAVOURS SWEET REVENGE"

In two previous games with Dominion Hotel Shufflers, Gull River Buildall had lost both in the ninth inning on home runs. However, this was not to happen on Wednesday evening in Minden. The Builders came out swinging and when the last out in the ninth was recorded, the Builders had chalked up twenty-one hits and an 11-2 victory.

Bob Austin started the Builders on their way in the second inning with his second homer of the year. In the top of the third Dough Heath singled, Neil Burk singled and then Rick Hartwick got his first of five straight hits, a double scoring both Doug and Neil. Score 3-0.

Neil then blasted his fifth homer of the year in the sixth and Hartwick tripled and stole home to make the

score 5-2. Murray McGuinness scored both Dominion runs, one on his third homer of the season in the fifth.

The Builders scored four big runs in the eighth to put the game out of reach. Hartwick and Austin doubled, Al McMullen then singled and Ted Vasey tripled to left and scored on Fred Simmons single. The Builders padded their lead in the ninth as Cliff Burke singled followed by back to back doubles by Hartwick and Austin.

Hartwick was the offensive machine for Builders with a single, two doubles and two triples. Bob Austin had a homer and two doubles, Neil Burk a homer, double and single.

Hartwick also pitched up his third win of the season to go with three defeats. Rick gave up two runs on six hits, walked three and struck out fifteen. Jack Snell suffered his second defeat of the season after seven straight wins and a tie, giving up twenty-one hits, no walks and struck out eight.

"DERRELL STAMP DOMINION"

In the top of the first inning in West Guilford on Sunday, the Dominion Hotel Shufflers scored a run on three hits and a fielders choice. This was the last time the Shufflers were to lead in the game. West Guilford came to bat in the bottom of the inning and slammed out eight straight hits in scoring seven runs. West Guilford eventually won 11-5 to take over sole possession of first place.

Derrell Stamp led the Redmen power attack on this evening, with three homers, his third, fourth and

fifth of the season. Derrell also had a single scored three times and knocked in four to account for seven of his teams total runs. Craig Stamp got his eleventh of the season and Bob Woodcock cracked his first homer in the second inning.

Craig Stamp gave West Guilford the victory, their sixth in a row, giving up five hits on thirteen hits, four walks and struck out eight. This was Craig's seventh win to go with two losses.

Jack Snell suffered the loss for Dominion, his third of the year, giving up nine runs on nine hits and a walk while fanning two in just three innings. Royce Miller came on in relief in the fourth and went the rest of the way, allowing two runs on ten hits.

SPORT BRIEFS

All Haliburton Huskie home games on Tuesday evenings in Haliburton, will commence at 7:30 p.m. instead of the usual 8 p.m. This is in an effort to beat the mosquito bombardment, hopefully.

knoll. Dorothy Perry, a passenger in the Perry vehicle received cuts and bruises. Donald MacKay, and a passenger in his vehicle, Sandra MacBeth, received fractures and concussion, while a second passenger in the MacKay vehicle received cuts and bruises. All were treated at the Haliburton Red Cross Hospital. The damages were estimated to be \$600.00 to the Perry vehicle and \$700.00 to the MacKay vehicle. Constable J.G. Martin investigated.

17 teams enter Third Norland Horse Draw

The third annual horse draw was held at the Norland ball park on July 1, sponsored by the Norland Volunteer Fire Department and the Women's Auxiliary.

A total of 17 teams competed in three classes, ranging from ponies to heavy horses. In addition,

for the first time, the women got a chance to show their driving skill in a single horse draw, for which Ingram Wessell of Norland had donated a trophy. Melrose Smith of Fenelon Falls was the judge and Don Young of Head Lake was the announcer.

The placings in the pony draw were: First place and trophy - Jim Chynoweth of Norland, whose team drew 3625 lbs., 2nd - Byard Greet, Miner's Bay, 3rd - Walter Bacon, Kinmount, 4th - Jim Chynoweth.

In the light horse class, first place and the trophy

went to Murray Cowan of Haliburton, whose team drew 7750 lbs. The remaining places were: 2nd - Grant Quinn, Cobocok, 3rd - Clarence Plumbtree, Janetville, 4th - Grant Quinn, 5th - Jim Chynoweth, 6th - Elwood Graham, Norland.

Placings in the heavy horse draw were: First place and trophy - Murray Cowan, whose team drew 8125 lbs., 2nd - George McLean, Bancroft, 3rd - Joe McFeeters, Fenelon Falls, 4th - Victor Cox, Minden, 5th - LeRoy Nesbitt, Minden, 6th - Ingram Wessell, Norland, 7th - Jack Batty, Cobocok.

Nine women competed in the single horse draw, and competition was keen as seven horses pulled the final weight of 4375 lbs. The following places were decided by measurement: First place and trophy - Joan McLean, Bancroft, 2nd - Jean Barry, Cobocok, 3rd - Peggy Plumbtree, Janetville, 4th - Isabel Wessell, Norland, 5th - Bonnie Lytle, Victoria Road, 6th - Sharon Baker, Rosedale, 7th - Grace Graham, Norland, 8th - Carol Chynoweth, Norland, 9th - Jan Nesbitt, Minden.

The trophy for best teamster in the entire draw went to Ingram Wessell.

Martin Lumber will employ 300

Grenville Martin of G.W. Martin Lumber Limited told the Haliburton Rotarians that Martin Lumber in Harcourt is shipping materials all around the world and soon they will be employing over 300 people.

For example the Electro-home TV Cabinet you have in your living room is being made from lumber from G.W. Martin Lumber Limited. Hardwood is also being shipped to Korea and Japan for bowling alleys.

Speaking to the members of the Haliburton Rotary club at their weekly meeting Grenville gave a very interesting and informative talk on the new mill his company is constructing at Harcourt at a cost of over seven million dollars.

The new mill which when completed will be 750 feet long and made of steel which be the first of its kind on the North American Continent and will take about one year and a half to build.

Equipment for the new mill will come from Germany, Sweden, Finland, Japan and Russia and one of the main benefits of this mill will be that it will take the whole tree. The timber mainly will come from Algonquin Park and the mill will work on a two shift basis. It will use nothing but low grade material.

Martin Lumber Company is now cutting 25 million feet of lumber a year and with the new operation will be cutting about 50 million feet.

Female help is at present

being hired on at Martins and when the new mill swings into operation 30 percent female help will be working in the new operation.

The new mill when completed will be the ultimate in milling operations complete with closed circuit TV and a machine that will x-ray logs and tell the operators how many feet are in a log.

The speaker closed his remarks with a rundown on logging operations in the park and told of the havoc being created by the forest fire which is raging on at Dryden.

Mr. Martin was introduced by Ken Wilson and thanked on behalf of the club by Joe Iles.

News Letter

Just a reminder here that the Haliburton Centennial Celebration is coming to Wilberforce on Saturday and Sunday, August 3 and 4. There will be a midway, beer garden and exhibits. This will be your opportunity to see the best horses in Ontario compete for cash prizes on Sunday at 2 p.m. Saturday night will feature a Centennial Dance at 9 p.m. in the arena.

Last Wednesday morning the traffic was re-routed between the first crossing and the local dock in Haliburton so that construction crews can finish the last lap of the first phase of the sanitary sewers. The traffic has been detoured off this section of the highway to a newly constructed road near the lakeshore on Head Lake.

The upcoming play at the Haliburton Highlands Secondary School this coming Monday night, July 22 will be Thark. This is the third in a series of Aldwych Farces from the London stage of the 1920's. The originators of the style of proeuction seen in the famous English "Carry On" movie series, the plays contain the same hilarity today that they did when they were first presented. Thark follows "Tons of Money" and "Rookery Nook" the two most successful plays yet presented in Haliburton.

Don Hilliard of Stormy Lake and Scarborough, known locally as "Hilliard the Handyman" arrived in the Echo office sharp at 9 a.m. on Tuesday, July 9th with a black band around his safety hat and a red rose in his lapel. Hilliard a Ron Collister (Progressive Conservative candidate) supporter like many in Victoria-Haliburton County drove back to vote in Scarborough and came back like he was attired - in mourning. I should have stayed and worked, said Hilliard. It was a real landslide wasn't it? this reporter chuckled!!

And speaking of the past federal election, many of our summer visitors who did not vote in the advance poll went back to their home ridings to vote.

Overcrowding a boat is asking for an accident. Make two trips in safety. Always check the weather before you set out in a boat. If there are storm warnings don't take a chance. Keep in the swim with Red Cross Water Safety.

The tennis courts project at the Rotary Beach in Haliburton will be getting underway shortly. This will be an added attraction to the beach area and the Rotary Club of Haliburton is to be congratulated for going ahead with this project.

The Haliburton Highlands Chamber of Commerce has notified the membership that because of the Provisional Governments decision to fund larger areas and withdraw the Regional Tourist Council Grants that the Chamber has had to appeal to the members for further funds for this year. At the General Meeting held on June 10th the motion was passed that a 40 percent surcharge be made on annual dues for the period of one year only.

Minden Agricultural Society

Prophet headlines fair

Did you think Minden Agricultural society had gone underground? Well they haven't and I promised to let you know who they got to headline their entertainment. They were able to secure Ronnie Prophet for both Saturday afternoon and evening and Sunday afternoon. The Switzer Brothers of Gospel Fame will also be there on Sunday.

The helicopter is coming back this year and there will be the Midway and Horse Drawing Contests and races and other contests. I hear we are even having a Fair Day Princess of our own this year.

Don't forget the exhibits too. It looks as if Minden Agricultural Society is really trying hard to make our Haliburton County

Centennial Fair the tops so do support them as much as possible.

The Parade is even featuring Centennial Theme with some of their floats and asking all the Townships to participate as well as Lodges, Businesses and individuals so if everyone will participate as asked, the Fair and Parade promise to be something to remember.

Just remember one thing, folks, the people behind the scenes are working overtime for the success of this fair with no remuneration except after, maybe "a job well done" and they do need the support of the whole County so please don't forget to do your part and help put August 23, 24, and 25 over the top.

Meeks, Townsend in Kawartha Lakes Open

Two worthy champions, each in their right, will be on stage, front and centre, when the "Kawartha Lakes-Ontario Open" Fiddle and Step Dance Contests open their doors on Friday and Saturday, July 26 and 27.

There will be afternoon and evening performances at The Bobcaygeon-Verulam Community Centre. Friday's program begins at 1 p.m. and 7 p.m. - the same starting times apply to Saturday. Saturday evening's finals conclude with a big wind-up dance featuring Frank Leahy's Orchestra.

Graham Townsend marks his fifth consecutive yearly visit since the Contest began in 1970. In 1971 Rudy Meeks won top honours, and this year will be his third consecutive guest appearance. Graham won the "Canadian Open" Fiddle Contest at Shelburne, Ontario, four times. In August of this year Rudy will be trying to make it three years in a row.

Both of these fiddlers have large followings from among fiddle music lovers. Plan now to see and hear them during their visit to

Bobcaygeon on July 26 and 27. Perhaps they will play your favourite tune!

Playground starts strong

The Supervised Children's Playground operated by the Minden Recreation Committee was off to a good start on July 2.

Centered at the Archie Stouffer Elementary School, the Playground is headed by Arena Manager Brian Sisson with Supervisors Dona Rae, Nancy Cole and Winifred Baker on hand daily.

The Play School is open Monday to Friday from 9:00 a.m. to 4:30 p.m. until late August involving the children in games, hikes, picnics, arts and crafts.

This is the third year of operation for the playground program with the Haliburton County Board of Education permitting use of its facilities. The supervisors, Donna, Nancy and Winifred look forward to seeing as many children as possible from Minden and the surrounding townships.

Dog control is needed badly in Haliburton

We have received several complaints at our office this year about the large number of dogs which are running loose in Haliburton village. Without a doubt there is a larger number than usual.

We have had dog fights on the main street, some people are also complaining that dogs are getting in their gardens and they are becoming a nuisance at the Rotary Beach where children are in swimming.

According to the municipal by-law all dogs are to be tied up, but you would never know it by the large number that are running at large.

It's high time that these dogs were brought under control. A few stiff fines are in order and this may help to remedy the situation.

It might be a good idea to make the Rotary Beach swimming area off limits for dogs before some kid gets hurt.

Some people are making a practice of bringing their dogs to the beach to give them a

bath. If they want to give these dogs a wash let them do it at home.

It's fine to have a pet, but when they become a problem to other citizens they should be tied

up at home - not roaming the streets of the village.

Let us hope that we see some immediate action on this subject.

Highland roadrunners should lose licences

The roadrunners are at it again this summer. Some of these drivers seem to think that Highland Street in Haliburton is the Indianapolis speedway.

Up and down they go all hours of the night, not going any place in particular, but there they are burning up the gas and tires.

No one cares how much gas they burn up that's their business, but when they run up and down Highland street making a noise and screeching their tires then it becomes another story.

People keep complaining all the time and sometimes in the middle of the night the noise from these vehicles can be heard half-way across town. Not everyone is doing it but it appears a few are making a habit of it.

It's not a case of getting somewhere in a hurry it's just a plain case of showing off in a smart-alec way.

If a few of these drivers who are causing all this noise had their licences suspended they would think twice of doing the same thing over again.

Most people drive in a sensible manner, but there are a few when they get behind the wheel of a vehicle seem to lose all sense of responsibility.

Crime prevention program initiated

The Honourable George A. Kerr, Q.C., Solicitor General, announces that Commissioner H.H. Graham of the Ontario Provincial Police has initiated a crime prevention program commencing the 1st of July. The program will be undertaken in all areas within the force's jurisdiction and is being coordinated by the Com-

munity Services Branch, General Headquarters, Toronto.

The intent of the program is to intensify the force's efforts at preventing crime.

The OPP will distribute informative material on home, property, and personal protection. The community services officers in your area

will be pleased to receive invitations to speak with any interested group, club, association or business.

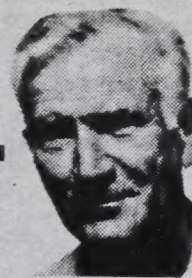

Selected OPP community services officers have been located throughout the province. They will visit and work in close cooperation with local governments, citizens' groups, businesses, individual citizens, and the

media, to unify community resources and police efforts to reduce crime. This will provide more personal contact between police officers and the citizens they serve.

Further information on the program may be obtained by calling your nearest detachment of the Ontario Provincial Police.

There is a fair bit of panic in the financial world these days. One of Germany's big banks failed. The stock market is more like a swamp than a market. Inflation is scaring the wits out of people and even politicians.

It was inevitable that some of us bigger figures in the financial and business game would be affected personally. Sure enough, I've been caught in a personal bind and I don't whether to go for broke or go for the hills.

I've been a pretty big shareholder of a stock called Peel Elder. I have 25 shares. It's a long story and I've told it before. But I got in on the ground floor, as we say on Bay St. and Wall St. These are a couple of well known streets in the financial world. One of them runs down to the bay, in case you want to drown yourself when the market is slumping. The other has a wall for pounding your head against in the same eventuality.

Well, as I was saying, I got in early. Was discharged from the air force with a couple of thousand bucks the paymaster had thoughtfully put away for me while I was in prison camp.

I had decided I wasn't going to slug and sweat all my life just to make a living. I was going to make it fast, and make it big.

I looked the field over pretty carefully, searching for a career with a built-in escalator. And the field looked right back at me with a cold and steely eye, saying, in effect, "What do you know how to do, besides crash-landing an aircraft in a plowed field?"

There wasn't really much I could answer to that. So, I thought, "The heck with the big corporations, when they can't recognize talent, drive and sheer ability, even though these are staring them right in their cold, corporate eye."

The final straw arrived when a personnel manager at Bell Telephone told me warmly that yes, he thought there might be a real future for me with the company, and yes, he thought he might find a place for me in three or four months, but I'd have to start at the bottom, like everyone else.

It turned out that the bottom was sweeping floors at something like \$48 a week. Even in those days The Bell paid good wages. That's probably why they have to ask for a rate increase every couple of years, to compensate for their incredible generosity to their employees.

Anyway, the bottom didn't have much appeal. I'd had something in mind more like Vice-President in charge of Public Relations.

So I shook him warmly by the hand, with that sincerity that only a V-P in charge of PR can muster, thanked him, and said, "Mustn't take any more of your time. I have to dash to the Royal York for lunch with Jack McClelland."

land of McClelland and Stewart, then catch the afternoon train for Montreal, where President Crump of the CPR has been trying to get hold of me for a week. By the way, if you get sick of The Bell, look me up in a year or so, and I might have something for you. Just contact Bill Smiley Associates, Incorporated, not to mention Limited."

At least I left him with his mouth open, but I was seething, inside. Some people seethe on the outside, but I always do it inside.

Anyway, I strode out of there, muttering, "All right. O.K. If that's the way they want it. I'll go it alone. I'll destroy them all within five years. I'll plunge into the stock market and buy them all up and have mergers and conglomerates and caviar and all sorts of stuff." Even then, young and inexperienced, I knew the jargon of big business.

So I plunged. It was like a butterfly plunging at a bull elephant.

Oh, I didn't just roar around buying up companies. I didn't buy just any old stocks. I wish I had. I bought some so new the ink wasn't dry on the certificates.

But I proceeded with caution. I wasn't going to be taken in by some smooth-talking operator working out of a telephone booth.

On the advice of my landlady's sister, who had her hair done every Wednesday with a friend who baby-sat for a prominent stock-broker's former wife, I decided to plunge into Northern Ontario gold.

My first choice was a lucky one. I bought into a company with a property so rich that even the moose who used it for pasture had gold fillings in their teeth.

And I didn't fool around with penny stocks. That's for the little guy with two hundred bucks to invest. No, I went for the solid, blue chip stuff.

I snapped up one thousand shares of this stock for 22 cents a share. Within two days it had shot up to 23 cents. I was on my way, and I've never looked back since. It hurts too much. In three weeks the stock wasn't listed on the financial page. I still think it was because some linotype operator was sore because some of us were making fortunes, and he left the name of the mine out of the list through sheer spite.

But all this is getting us nowhere. I started out to tell you how a couple of big conglomerates or condominiums or whatever they call them are ganging up to get hold of my 25 shares of Peel Elder. They've offered to buy them for \$13 a share and I

could have sold them a month ago for \$11.75 a share.

There's something fishy going on, and if I can get to the

bottom of it, I'll expose the whole thing in next week's column. Just hang in there and wait. I don't want to see other simple stockholders get

hurt.

Sandford dean appointed president of U.S. college

The dean of faculty of Sir Sandford Fleming College, George H. Robertson, has been appointed president of Mohawk Valley Community College in Utica, New York, effective September 1.

Mr. Robertson has been

dean of faculty at Sir Sandford since the College

opened in 1967, with responsibilities for all academic aspects of the College and many central administrative functions.

In addition, he was responsible for advance planning of academic programs, including new program submissions to the provincial government and annual preparation of statistics for the College multi-year plan.

Mr. Robertson is a native of Scotland. He received his B.A.Sc. and M.A.Sc. in mechanical engineering from the University of Toronto, holds an M.Ed degree in adult education from the Ontario Institute for the Studies in Education, Toronto, and currently is completing requirements for his Ph.D. in higher educa-

tion from Florida State University, having won a Canada Council Doctoral Fellowship.

He began his career in 1946 as an apprentice draftsman with a Scottish firm. In 1952 Mr. Robertson came to Canada, attended university, and worked in the mechanical engineering field until 1959, when he became a demonstrator in the department of mechanical engineering at the University of Toronto.

He joined the technical faculty of Ryerson Polytechnical Institute in Toronto in 1961.

New phone books available

New phone books -- 123,000 of them -- with bright blue covers are being delivered throughout the Peterborough-Lindsay area over the next two weeks.

The book has newly-designed "stepped" and indexed color pages in the front portion of the book carrying data on local and long distance calling, rates and other general informa-

tion.

The new cover is made up of a geometric design, repeated in blue and green squares.

Ken Witherden, Bell Canada's manager in this area, said the books are part of the more than 13 million Tele-Direct Limited will publish for Bell customers in Ontario, Quebec and parts of the north-eastern Arctic.

Manpower Statistics

In June there were 4002 persons registered with the Canada Manpower Centre in Peterborough, which was a decline of 305 over May of this year. Gerry Hales, Supervisor of Operations, stated that 482 clients were placed in full time jobs, which is an increase of 28 over May. He also stated that 165 persons were placed in casual employment during the month.

Mr. Hales also stated there are no summer holidays from the Canada

Manpower Training Program, as 29 persons commenced training at Sir Sandford Fleming College, in either upgrading leading to skill courses or directly into the various skill courses available.

A total of 11 persons were given financial assistance to explore job possibilities in areas outside of Peterborough, while nine families were relocated as they had found permanent jobs in other localities, concluded Mr. Hales.

WI Spring Bus Trip to Niagara

The Women's Institute Spring Bus Trip at the end of May didn't have the warm sunny weather that one would expect for that time of year but that did not daunt the 41 ladies who met on Main Street that morning.

After a cheery 'Good morning', from congenial Driver Bill Holland we

started on our scenic trip. The Erland Lee Homestead at Stoney Creek was reached at noon and we were not disappointed in this home where the Women's Institute was first formed. Bill drove us up over Hamilton Mountain where the view was beautiful. After visiting the

homestead we proceeded on our way via Welland Canal where we watched a ship passing through Lock 3.

Our trip then took us to Marineland for the 4 p.m. show which was much enjoyed by all and many were the laughs when the Porpoise tried to splash hard enough to drench the spectators. This is a beautiful spot and well worth seeing if one is at Niagara Falls. After the show we journeyed on into the city and enjoyed our evening meal and a bit of sight-seeing and shopping.

All of us kept our feet on the ground and although we admired the lift up to the Tower Restaurant, none of us wanted to take a ride in it.

Carnarvon News

Our deepest sympathy is extended to the family of Mrs. Harry Cowen, in the loss of a wife and mother.

Mr and Mrs Geo Dean and family (nee Lucille Link) visited with the Maurice Windsors this week, and also with Mr and Mrs Gordon Allcorn.

Mr and Mrs Burley of Toronto spent a few days with Mrs Hussey.

Mrs Jean Mason and her friend are now at Mrs Mason's cottage on 12 mile.

Gooderham, Haliburton, Minden and Carnarvon now have a girls softball team. Carnarvon home games will always be played on Sunday night at 6 o'clock. Look at the schedule and see where your favorite team is playing, and get out and support the girls Carnarvon played 3 games this week, won 2 and lost one, but they will always play on Sunday after this week.

Mr and Mrs Bert Harrison were in Aurora for a few days this week.

Wendy Gorrie and Alfie Vanderwall were in Kingston on the weekend attending the wedding of one of Wendy's school

friends.

Mrs Georgina Bowins of Barrie is spending a few days here visiting with friends and relatives.

Mrs. Tom Rogers and Stephen of Sarnia, and Carol Rogers from Hamilton are holidaying on Lake Boskung, also visiting with friends and relatives.

WI June Picnic

The Picnic meeting was held at the home of Mrs Wallace Walker and our luck failed us again, so 37 of us invaded Mrs Walker's home and believe it or not we were all quite comfortable, a little crowded but not that much.

Our meeting was short but all the good, as we were anxious to get on with the picnic and find out who had our name last year for a Secret Pal. We also chose a new Secret Pal for this year, too. The Programmes for the year were very attractive and these were given to everyone. By the way if anyone visits the Science Centre in Toronto this summer, be sure and

look for the big quilt they are quilting for we sent in a block towards it.

It was decided that for our picnic next year, we would have a luncheon meeting, the draw for the basket of groceries was made and Jean Taylor was the lucky winner. Luckily she didn't have far to take it for that basket was heavy.

The W.I. will be busy this summer selling the poem by Mrs Walter Noice and published jointly by the Council of Anson, Hindon and Minden and this branch Women's Institute. I hope when you get your copy you will enjoy reading it as much as I have.

News from Minden

Many people from the Village enjoyed the travelogue by Rev. A. Hutchison at the Parish Hall last Thursday evening.

The family of Mrs B. Cryderman need help as they are re-building after a loss by fire. They wondered if anyone discarding good used furniture might give these items to them. They are a family of four and at the moment are living with friends. Please contact Mrs J. Warburton at 286-1317 for further information.

Mrs Ron Davis and family of Timmins is holidaying with her father Mr Earl Hewitt.

Harold Sawyer and Kay Barnes are spending a month's holiday at their home in the village.

Sincere sympathy to the family and friends of the late Harold Upton whose funeral

was last week.

Saturday afternoon at the Recreation Centre over a hundred children and parents enjoyed "The Fables" presented by Global Village Theatre. Performers were Denise Devine, Denis Simpson and John Ruddle and narrator was Clifton Spires. This was under direction of Robert Swendlaw who had written one of these fables. Heather Gardiner, County Librarian, made comments and explained the way this programme is presented. The children sat in a large circle and really were entranced with the acting. Robert Swendlaw then had the children suggest some ideas and these were carried on in pantomime as well. This free programme was presented as part of Haliburton County Library's share in this County's Centennial Year. This programme is

available to other groups and contact Robert Swendlaw at Global Village, 964-0035.

The building beside the Candian Imperial Bank of Commerce was gutted by fire early Friday morning. This was originally an Ice Cream Parlour and a Radio and later a T.V. Shop. Recently it was a Curiosity Shop containing gifts Indian Crafts, novelties, Homelite and Honda Products operated by A.S. Cooper.

Congratulations to the newlyweds Mr and Mrs Ron Avarell (nee Ellen Nicholls) who were married Saturday at Orono.

Ian Beattie of Richmond Hill is spending a week with his grandparents Mr and Mrs Ern Hewitt.

Jeff Nicholls of Orono is visiting this week with his grandmother Mrs Allan Taylor.

Haliburton Personals

Mr and Mrs Elwin Robertson of Haliburton returned home recently following a visit with their daughter and son in law Mr and Mrs Don Dunsmore at Winnipeg, Manitoba. While travelling in Northern Ontario they noticed two moose, one on their way out and one coming back.

Miss Edith Day of Lindsay was a visitor to her home here over the weekend.

Mr and Mrs Don Downey of Eganville are holidaying at their cottage on Haliburton Lake.

Auditors' Report

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the Township of Cardiff

We have examined the 1973 financial statements of the Corporation of the Township of Cardiff. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion these financial statements present fairly the financial position of the Corporation of the Township of Cardiff as at December 31, 1973 and the results of its operations for the year then ended, in accordance with accounting principles generally accepted for Ontario municipalities applied on a basis consistent with that of the preceding year.

Haliburton Council meet

The members of the Haliburton County Board of Education met at the Board Office on July 9, 1974.

They discussed the proposal of having meetings held in schools throughout the County periodically and felt if these meetings were advertised, it would help residents in the area of the local schools to attend Board meetings more easily. It would also give the members of the board an opportunity to observe the facilities of the various schools.

A motion was passed stating that either a visit or a Board meeting be held at least once a year in each of the schools of the County.

Mr. Leonard Salvatori, who attended the Ontario Public School Trustees Convention in Hamilton along with Mrs. Way and Mr. Lloyd Johnson, reported to the other members. He particularly commented on the Committee of the Legislature under the Chairmanship of Dr. McIlveen which has drawn up a report on the utilization of schools during non-school hours.

It seems that some Boards do not have much community use of their schools on evenings or weekends. This led to a discussion of the policy of the Haliburton County Board of Education in this regard some time ago

the use of schools by non-profit organizations and groups is encouraged. The Board has allowed the School of Fine Arts to use the facilities of the secondary school for many years for their summer school.

The Art Show is now held in the Senior Elementary School. The Recreation Committee of Anson, Hindon and Minden and the Girl Guides of Minden have been using the Archie Stouffer Elementary School. It is particularly pleasing to the members of the Board that the secondary school is used by various groups almost every night of the week. Any group can apply to the Principal of the school for permission to use its facilities.

Townships of Anson, Hinden & Minden NOTICE

NOTICE of application to The Ontario Municipal Board by the Townships of Anson, Hindon and Minden for approval of a by-law to regulate land use passed pursuant to Section 35 of The Planning Act.

TAKE NOTICE that the Council of the Corporation of the Townships of Anson, Hindon and Minden intends to apply to The Ontario Municipal Board pursuant to the provisions of Section 35 of The Planning Act for approval of By-law 74-22 passed on the 12th day of June 1974. Provisions of the By-law are furnished herewith.

WHEREAS authority is granted under Section 35 of The Planning Act, R.S.O. 1970 subject to the approval of The Ontario Municipal Board, to the Council of the Corporation of the Townships of Anson, Hindon and Minden to exercise such powers.

THEREFORE the Council of the Corporation of the Townships of Anson, Hindon and Minden enacts as follows:

Section 4:

The following be added as Section 4.18

No trailer home or mobile home originally designed to be mobile shall be permitted on any lands in the Municipality except in a mobile home subdivision approved by the Council under the terms and conditions outlined by Municipal By-laws.

Notwithstanding the above provision, buildings constructed that are commonly referred to as "double wides" shall be permitted provided they conform to all Municipal By-laws.

Read a first, second and third time and passed the 12th day of June 1974.

Signed
Reginald Booth, Reeve
Richard Parisotto, Clerk

ANY PERSON INTERESTED may within fourteen (14) days after the date of this notice, send by registered mail or deliver to the Clerk of the Townships of Anson, Hindon and Minden notice of his objection to approval of said by-law, together with a statement of the grounds of such objection.

ANY PERSON wishing to support the application for approval of the by-law may within fourteen (14) days after the date of this notice send by registered mail or deliver to the Clerk of the Townships of Anson, Hindon and Minden, notice of his support of approval of the said by-law together with a request for notice of hearing that may be held giving also the name and address to which such notice should be given.

THE ONTARIO MUNICIPAL BOARD may approve of the said by-law but before doing so, it may appoint a time and place when any objection to the by-law will be considered. Notice of any hearing that may be held will be given only to persons who have filed an objection or notice of support and who have left with or delivered to the Clerk undersigned the address to which notice of hearing is to be sent.

THE LAST DATE FOR FILING OBJECTIONS WILL BE AUGUST 6th, 1974.

DATED at the Townships of Anson, Hindon and Minden this 11th day of July, 1974.

Richard Parisotto, A.M.C.T.
Clerk-Administrator
Box 98, Minden, Ontario.

FURTHER TAKE NOTICE that the Council of the Corporation of the Townships of Anson, Hindon and Minden has passed By-law 74-22 amending the Restricted Area By-law 14-67 to prohibit the placing of trailer and mobile homes on any lands except in a mobile home subdivision approved by the Council.

By-law 74-22 is available for perusal by any person at the Minden Municipal Offices during normal working hours.

Richard Parisotto, A.M.C.T.
Clerk-Administrator

Haliburton County Council

The Board has regulations that must be adhered to, such as - no alcohol may be served in the buildings, smoking is allowed only in certain specified areas and there must be a citizen willing to be responsible for the use of these facilities.

Mrs. Evelyn Gibson gave a report on the meeting that some members of County Council arranged with the Minister of Education through the member of the Legislature, Mr. R. Glen Hodgson. The meeting was held at Queen's Park on June 27th. Board representatives at this meeting were - Mr. H. Lloyd Johnson, Trustee, Anson, Hindon and Minden; Mrs. Evelyn Gibson, Trustee, Stanhope; Mr. J. Douglas Hodgson, Director of Education; Mr. James Leworthy, Business Administrator. Municipal representatives were - Mr. Sinclair Nesbitt, Reeve of Stanhope; Mr. Art Locke, Reeve of Sherborne et al; Mr. Gene Newell, Councillor for Snowdon; Mr. Gerald Bain, Clerk of the Municipality of Stanhope; Mr. Richard Parisotto, Clerk of the Municipality of Anson, Hindon and Minden.

Mrs. Gibson reported that Mr. Nesbitt had a brief which he read to the

Minister of Education and Mr. Ed. Joyce, Business Administrator for the Central Ontario Region of the Ministry of Education. The brief asked, among other matters, that Mill Rate Subsidy be continued at the present level until Haliburton County has value assessment as a basis for raising taxes.

It was pointed out that Mill Rate Subsidy was given in 1969 to some municipalities where elementary education costs to the local taxpayer were low in comparison to those of other municipalities. The effect was that the elementary rate was only allowed to increase to a certain level and anything the County Board required from the municipality above that level has been totally paid for by the Government of Ontario. In other words, some municipalities in Haliburton County received no Mill Rate Subsidy and others, because they had not been paying a high level of support when the County Board was established, were given this help. The Ministry of Education has been attempting to put every municipality in the counties of Ontario on Provincial Equalized Ass-

essment, so that everyone would pay at the same mill rate toward the cost of elementary education as they have been doing for many years for secondary education. As a result, the Government has been lowering the amount of Mill Rate Subsidy to the various municipalities.

At the present time there are 5 municipalities in Haliburton County that would receive this aid - Glamorgan, Lutterworth, Sherborne et al, Snowdon and Stanhope.

Mr. Ed. Joyce pointed out to the Minister of Education that he had told some of this delegation at a meeting held in the Stanhope Council Chambers on the night of June 5, 1974 that he, as a member of the Grants Committee for the Province of Ontario, would present their views on Mill Rate Subsidy. He stated he still intended to make this presentation. The meeting concluded on this point.

Gems of Truth

STOPPED EARS

"Then they cried out with a loud voice, and stopped their ears, and ran upon him with one accord, and cast him out of the city, and stoned him: and the witnesses laid down their clothes at a young man's feet, whose name was Saul." Acts 7:57-58.

That the preceeding account of the death of the

first true Christian is a yardstick to determine who false teachers are is very evident. Truly born again Christians are always open to the teachings of the Scriptures and are never found to be the persecutors of others or to forbid the Word to God being listened to from the mouth of others.

To stop our ears is to admit that they might hear

something contrary to one's own way of thinking and thus reject any further truth Jehovah God may have for us. This is a sad state of affairs when Scripture plainly teaches that all the Word is inspired and given as sound doctrine to feed upon. When one stays with the naked Word and lays aside man-made teaching aids, the Holy Spirit will teach truth from error and helps His children to rightly divide the way of Truth. 2 Timothy 2:15.

Such is the case in the last messages given to the Church in Revelation chapters 2 and 3. "He that hath an ear, let him hear what the Spirit saith unto the churches."

Open ears, not stopped ears are an indication of one's willingness to be taught by God the Spirit, and are also a true spiritual indicator of one's willingness to listen to God and obey God rather than men. Acts 5:29.

A Tribute to Johnny Mooring

The Kawartha Lakes-Ontario Open Fiddle and Step Dance Contests will honour the memory of one of Canada's best loved fiddlers.

The tragic and untimely death earlier this year of Johnny Mooring of Springhill, N.S., will be marked by the presentation of the Johnny Mooring Trophy by Johnny's sister, Mrs. Muriel Ross, of his home town.

The trophy will be awarded to the youngest player receiving the highest marks under the age of 19 years.

Muriel is famous for her step dancing on the Don Messer Show, and has promised to bring her dancing shoes with her in honour of her brother.

The Fiddle and Step Dance Contests are being held in Bobcaygeon on July 26 and 27 from 1 p.m. each day.

Municipality of Dysart Et Al NOTICE

THIS MUNICIPALITY IS AGAIN EXPERIENCING GREAT DIFFICULTY IN MAINTAINING DUMPSITES TO THE MINISTRY OF THE ENVIRONMENT STANDARDS.

THIS DIFFICULTY IS BEING CREATED BY THE NON-COOPERATION OF CITIZENS AND VISITORS ALIKE WHO REFUSE TO CO-OPERATE WITH OUR DUMP CARETAKERS IN MAKING SURE GARBAGE IS DUMPED OVER THE BANK - NOT ON THE ROADWAY.

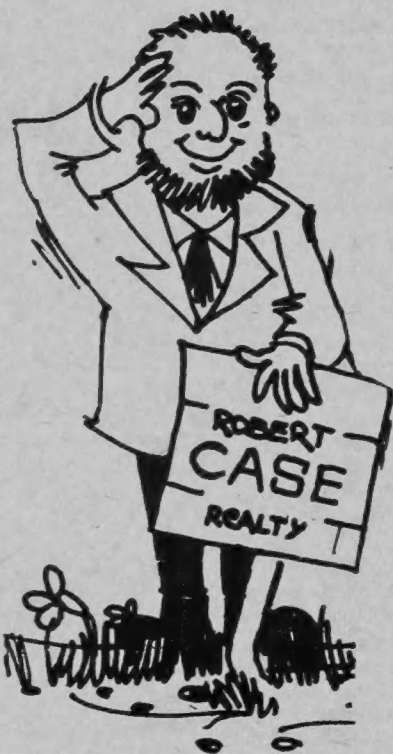

IN THE FUTURE, OFFENDERS WILL BE CHARGED BY THE TOWNSHIP WHEN WE ARE ABLE TO DETERMINE WHO THEY ARE. FAILING A VAST IMPROVEMENT THE SITES WILL BE GATED AND A PROGRAM OF CONTROLLED DUMPING HOURS INSTIGATED.

I TRUST WE MAY HAVE THE CO-OPERATION OF ALL IN THIS REGARD SINCE THE ONLY OTHER ALTERNATIVE WILL UNDOUBTEDLY PROVE AN INCONVENIENCE TO MOST.

In Memoriam

DART - In loving memory of a dear Mother, Margaret Jane, who entered into rest July 11th, 1967.

Gone from us but leaving memories
Death can never take away.
Memories that will always linger
While upon this earth we stay.
Sadly missed by Bert, Grayce, Kathy, Howard and Kevin.

DART - In loving memory of a dear Mother, Margaret Jane, who entered into rest July 11th, 1967.

Heavy are our hearts today,
Memory brings you back once more
To the time when you were with us,
To the happy days of yore.
Sadly missed by Pauline, Bob, Jack, Lynda, and Doug.

DART - In loving memory of a dear Mother, Margaret Jane, who entered into rest July 11th, 1967.

"Thy will be done," seems hard to say
When one we loved has passed away;
Some day, perhaps, we'll understand,
When we meet in that better land.
Sadly missed by Don, Frances, Fred, Nellie and Roger.

DART - In loving memory of a dear Mother, Margaret Jane, who entered into rest July 11th, 1967.

More and more each day we miss her,
Friends may think the wound is healed.
But little they know the sorrow
That lies within the heart concealed.
Sadly missed by Jack, Jean, Larry, Ricky, Wendy and Jamie.

STAMP - In loving memory of Everett D. Stamp who passed away on July 8, 1970. Please God, forgive a silent tear

A fervent wish our Dad was here.
There are others, yes, we know.
But he was ours, we loved him so.
Dear God, take a message
To our father in heaven above.
Tell him how much we miss him,
And give him all our love.
Sadly missed and always remembered by daughter Hazel, son-in-law Jack and grandchildren.
